

COVID 19 INFORMATION

A **safe stay** is our highest priority. We have prepared a **Safety and Hygiene Protocol** so that just have to **enjoy and rest**.

Apartments

1. Online check-in
2. Opening doors with your mobile (do not worry, we also leave the keys disinfected)
3. Hydroalcoholic gel in each apartment.
4. Cleaning of all the furniture, curtains at more than 65° after each check-out, etc ...
5. Elimination of cushions, decorative elements, etc.
6. Disinfection of all kitchenware, dishes, cutlery, glassware.
7. Disinfection of all A / C filters and a hair dryer.

Staff

Our staff has received the necessary prevention measures and Epis that guarantee their safety and that of our clients.

Common areas

1. Disinfecting mat for shoes and suitcases at the entrance door of the car park.
2. Hydroalcoholic gel dispensers in the hallway of each plant.
3. Cleaning and disinfection of all elements in common areas, switches, handrails, knobs, etc ...
4. Daily ventilation of all common areas.
5. Informative signage
